General Information

Medical information must be provided for your child to attend camp. It is essential for the camp to have your child's current health information, in order to be able to ensure the safety and well-being of campers during their time at camp. **Please click on Next Page.**

"To help ensure the health and safety of your child during summer sports and active play, the State of Connecticut has developed a website <http://www.casciac.org/pdfs/ConcussionInfoForStude...> providing information on recognizing and responding to concussions. Please familiarize yourself with the signs and symptoms of concussions and discuss it with your child."
