PREPARING FOR CAMP

Open House & Visiting Camp

Visiting Camp prior to arrival can be a very important step in helping both you and your camper feel comfortable. Camp Woodstock is open year-round and offers both an Open House and private tours. Our Camp Open House will be Sunday, April 19th and Sunday May 10th from 2-4pm. If you would prefer a private tour with one of our staff or directors, please call our camp office at 1-800-782-2344. We are excited to share our Camp with you and hope you are able to come visit us!

HEATH FORMS, MEDICATION, AND WELLNESS

All camp forms can be found on the "Summer Camp Forms" page of our website: www.campwoodstock.org.

 - **Important: After May 31st, forms will not be accepted via upload or email. You must bring forms with you on check in day.**

Healthcare Information

Two health care staff (at least one of whom is a registered nurse) are on duty for each session of camp and a nearby physician is on call 24 hours a day. In case of minor illness, parents are informed only if the camper is confined in the Health Center for more than 24 hours. In case of emergency, campers are taken to the camp physician or local hospital and parents are notified. For this reason, it is very important you provide Camp with complete emergency contact information. If you plan a vacation or are away and not able to be contacted easily, please notify Camp of the temporary address and phone number.

Campers who may need emergency medication, such as an Epi-pen, must be able to *self-administer* (as noted on the health form) if they are to take part in any off-site activity such as mountain biking or hiking.

Insurance - It is the responsibility of the parents to carry adequate insurance coverage in case of injury or illness to their children while at camp.

Camper Wellness

1. Make sure your camper has been fever free for 24 hours before check-in. Let our nurses know of any recent changes in health.
2. Your camper must not have vomited or had diarrhea in the 24 hours before check-in. Let our nurses know if your child is on any antibiotics or temporary medications due to recent illness.
3. Head lice can occur in any community and does not reflect poor hygiene or social status. Please do your part to prevent the spread of lice by checking your children prior to check in. Like any problem, if we can detect it early it is much easier to treat. Should we need to treat your child while they are at camp it will be done discretely, and a follow up inspection will be performed by someone on our health team.
4. Check your camper's luggage for bed bugs. Bed bugs are not generated at camp -- they are "hitchhikers," and may be "along for the ride" if you have recently spent time at a hotel or resort. Please inspect your camper's luggage and clothes. You can help by packing clothes for camp in a new plastic bin. If you are interested in viewing our bed bug protocol, call us at 1-800-782-2344 and we will be happy to send it to you.

CAMP POLICIES & PROCEDURES

Balance & Refund Policy

- A \$200 nonrefundable and non-transferable deposit is due at the time of registration.
- Remaining balances are due May 1st. This balance is nonrefundable after May 1st unless a written request is made stating special circumstances.
- Written documentation is required to change or cancel a registration.
- A camper leaving camp before the end of the session for medical or emergency reasons will receive a pro-rated refund for days missed.
- A camper sent home for homesickness or disciplinary reasons is not eligible for a refund.
- Written request for a refund or cancellation must be approved through the Executive Director.

Cell Phones

DO NOT BRING YOUR CELL PHONE TO CAMP! Parents should collect campers' cell phone before dropping them off on check - in day. Any campers left with cell phones will have 24 hours to hand them into a counselor to be returned on check - out day. If a camper is found to have a cell phone after 24 hours of being at camp a parent will be notified and the camper will be dismissed from camp without a refund.

Trading Post

Camp operates a Trading Post (camp store) with items like snacks, t-shirts, stamps and drinks. There is no need for campers to have cash while at camp. Instead, we ask parents to deposit money into their child's store account prior to their arrival or upon check-in. The camper then charges items against their balance. For most campers, \$30-35 per week is sufficient and camp manages limits on the amount that may be spent daily on candy or ice cream. Unused money may be refunded upon check-out or you may choose to donate the remainder to our World Service fund which helps to support our sister YMCA in the Dominican Republic.

Cabin Assignments & Requests

Cabin assignments are created by camp management and are made with the dynamics of the entire cabin group in mind. While we strongly believe camp is a place for campers to meet new people and have new experiences, we also understand many campers come to camp with a friend who they would like to share a cabin with. To this end, we limit cabin mate requests to one per camper. Both campers must be of the same gender and within one year of each other in age. Both families must also mutually request the campers to be in the same cabin group. If multiple requests are listed on the registration form, we will pick one who has also selected your child on their form. We are unable to change cabin assignments on the day of registration and cabin assignments will not be given out prior to check-in. If you have a special situation or concern, please call us ahead of time. **No changes can be made on check-in day.**

Behavior Expectations

We are excited to have your child as part of our Woodstock family and close-knit community. In order to provide the best experience for our entire camp, we expect each camper to respect themselves and others, as well as the facilities and natural surroundings. We work to provide positive, realistic expectations and guidelines for each camper to ensure their success at camp. The atmosphere created at camp is intended to make all of our campers feel both physically and emotionally safe. If issues arise, we will work with your child to resolve them and will contact you to keep you informed of the situation. Campers whose conduct jeopardizes these ideals may be sent home at the discretion of the Camp Director without a refund.

Meals & Dietary Restrictions

Balanced meals are planned and served by the Food Service Staff each day, including a salad bar at both lunch and dinner. If your child has any special dietary restrictions, please include this information on the health form and speak to the nurse as well as your child's counselor. Please feel free to also call camp and speak with one of our Directors or our Food Service Manager.

Laundry

Laundry service will only be provided for campers signed up for and remaining at Camp for a Stay-Over weekend.

Out of Camp Trips

Campers choosing hiking and mountain biking class will travel by vehicle driven by an approved YMCA staff to local areas. Campers staying for Stay Over Weekends (between Sessions 1 & 2, 2 & 3, or 3 & 4) will travel to local area attractions. Campers in the LIT program take a bus for a camping trip to Vermont and a beach trip to Misquamicut. Campers in the Yurt program will travel in a camp vehicle to a local campground for an overnight camping and hiking trip.

Stayover Weekends

Campers enrolled in more than one session consecutively (3 or 4 weeks) may either remain at camp or go home. If campers stay for the stayover weekends, a permission slip is required. The cost for the weekend is \$95 and includes laundry, four meals, and a trip to the movies.

Our camp is located one mile down on the left.

From Interstate 84 WEST take Exit 74 (Route 171) and turn left at the end of the exit. Take the next left and cross over the interstate. At the stop sign, turn right onto 171 and proceed 2.3 miles and stay on 171 as it takes a turn left. From here you follow the directions above starting at "Turn Right on Rt. 171".

STAYING IN TOUCH WITH YOUR CAMPER

Because we know the camp environment provides a wonderful opportunity for independence and growth in children, we ask you limit your communication with your child to the following ways:

- 1.) **Letters!** We encourage letters from you as the best way of communicating with your camper. Positive, supportive letters let your camper know you support them having a great time at camp. Similarly, we encourage our campers to write a letter home at least once a week, so we suggest sending them with pre-addressed stamped envelopes and writing materials so as to make this process easier for them.

(Care Packages – We discourage care packages that contain food items as some campers have food allergies and food can attract unwanted insects and animals to the cabins. Any food in packages will be kept in our Program Office and given to your camper upon request from their counselor during free time.)

- 2.) **E-mail!** We have partnered with Bunk1 to provide e-mail and photo services for our camp families. Previewing the daily pictures is free, but there is a small fee for the e-mailing service. E-mails are downloaded and printed each morning and distributed to campers after lunch with the rest of our mail.

Please address all letters to:

“Camper Name”

“Cabin #”
