Health History

Thank you for choosing Camp Woodstock for your child! We are excited to be a part of this important time in your child's life and hope to make your experience and theirs, a successful one. As you both prepare for camp, if you have any questions, call our camp office at (800)782-2344 or locally at (860) 974-1336.

You will need to review each section of the health form information. Please read all Documentation as there have been some changes.

Upload Documents

Upload your camper's record of a physical (dated within the last 24 months of your camper's last day at YMCA Camp Woodstock). When scanning your documents for upload, if you have different types of documents all in one file it is unnecessary to upload the same file to every upload field. (ex. a single PDF file containing the physical, medication administration form, and insurance card only needs to be uploaded into one upload field). Leave the other upload fields empty. We provide the upload spaces separately if they are needed, yet you may not need to use them all.
